CIM Level 4 Certificate in Professional Marketing

Prove that you have the skills and improve your prospects to compete in the demanding and dynamic world of marketing with this recognised level 4 qualification sought after by employers.

COURSE OVERVIEW

The aim of the CIM Level 4 Certificate in Professional Marketing is to provide you, as a practising marketer, with relevant, contemporary marketing knowledge to equip you for the current global landscape. Successful completion of this marketing qualification will establish the knowledge, skills and understanding to be able to succeed at an operational level and to perform an essential and successful professional marketing role within the workplace. You will need to successfully complete three units/awards to achieve this qualification, usually in one year.

MODULES

- Marketing (Mandatory Module)

This module is about recognising the importance of marketing's role in driving success and delivering results. It provides the knowledge and understanding of the function of marketing within the organisation and demonstrates how an appreciation of customer behaviour can enable effective targeting. It outlines an understanding of how external environmental influences affect planning and how information enables decision making, and the elements of the marketing mix and how these are applied to address market and customer needs.

- Integrated Communications (Mandatory Module)

This module aims to enable understanding of the importance of effective internal and external communications in building sustainable relationships and delivering customer value. It provides the opportunity

to recognise the importance of communications planning in delivering marketing solutions. It explains how the concept of product and brand management can enable organisations to deliver customer value. It outlines the components of the marketing communications mix and enables understanding of integrated marketing communications (IMC) planning.

- Digital Marketing (Centre mandated elective module)

This module is about appreciating the importance of the ever-evolving digital landscape and understanding how to develop skills to improve digital marketing effectiveness. It provides awareness of the nature of the challenges and opportunities within the digital environment and outlines the skills and tools required to support and enhance marketing activities. It identifies the importance of effective monitoring and measurement techniques that enable organisations to improve digital marketing performance.

ENTRY REQUIREMENTS

One or more of the following is required to gain entry to this qualification:

- CIM Level 3 Introductory or Foundation Certificate in Marketing qualification.
- Any relevant Level 3 qualification.
- Any UK degree or international equivalent.
